Why is Vertican Making This Change?

- Self service support for user changes
- Named User licensing

Q-Law update to be released on November 17 and the Q-LawE update will be released in January 2022.

Regulation F and 7-7 are included in the update.

What Must I Do Prior to the Update?

- vPortal registration is required.
- Change inactive users in the Q-Law user list to security level 11 (this will make them inactive).
- Select the DTPs you will continue to use, otherwise they will not be available.

Next Steps:

- Managing the active licensed users in Q-Law
- Automated license check
- Installation of update
- What do to after update
